Misses Anna and Bessie Taylor of East Sec-  
ond street are home, after spending several  
days visiting in Cincinnati.

Postmaster H. B. Bryson of Carlisle, Con-  
gressman J. B. Bennett and Collector T. A.  
Fields were distinguished visitors in the city yester-  
day.

Mr. Carroll P. Marshall of Huntington, W.  
Va., was a Sunday guest with the family of  
his brother-in-law, Mr. James H. Hall of the  
East End.

**GROWING CHILDREN**

play hard and work hard at school, and rapid  
growth need an enormous amount of energy  
and vitality that needs replacing.

This accounts for the many delicate, sickly  
and ailing children we see on our streets.

I wish the mother of every such child would  
come to my store for a bottle of Vinol, as it is  
a delicious cod liver and iron tonic which chil-  
dren love to take, and it is easily assimilated.  
A grateful mother in Durand, Mich., says  
her little girl was weak, pale, and had no ap-  
petite. She gave her Vinol and she began to  
thrive at once—and she gained rapidly in  
weight, color and strength. (Name furnished  
on request.)

Vinol builds up good healthy flesh and mus-  
cle tissue and makes thin little limbs round  
and plump.

Try a bottle of Vinol with the understand-  
ing that if it does not benefit your child your  
money will be returned. John C. Pecor, Drug-  
gist, Maysville, Ky.

Rev. Maurice Waller is the guest of his  
sister, Mrs. Judith Marshall of Louisville.

Mr. Harry C. Curran was a business visitor  
to Standard Oil headquarters at Covington  
yesterday.

Mr. Hugh F. O'Donnell of Chicago returned  
home yesterday afternoon, after a short visit  
to his mother, Mrs. Enloe O'Donnell of Bridge  
street.

Dr. and Mrs. Charles S. Holton of Richmond,  
Ky., Sunday with their parents, Mr. and Mrs.  
W. T. Holton of Tuckahoe. The Doctor made  
the trip in his touring car.

Miss Beattie Greely has returned home, after  
a three months' pleasant visit with her aunt  
and cousin, Mrs. M. G. O'Neil and Mrs. J. H.  
Morgan, at Elmendorf, near Lexington.

President Crossfield of Kentucky University  
will begin a protracted meeting Sunday next  
at the Maysville Christian Church.

Miss Esther Hall, daughter of Mrs. John Hall  
of Forest avenue, writes to her former teacher  
Miss Jennie H. Moore of The Maysville School  
of Music: "Mr. Greene tested my voice and  
said that I had received fine training. He liked  
it better than any of the voices he had tested  
this year and he had tested a dozen. He en-  
couraged me to go on with the study, saying I  
would have a fine voice with further practice."  
Miss Esther, now at Chevre Chase, Washing-  
ton, D. C., is one of Maysville's most charming  
young girls, and we wish her great success.

Mr. and Mrs. Abner O. Best are entertaining  
a young son at their home in Chicago—Robert  
Donlhan.

**SALE OF BONDS**

Chairman Everett of the Ways and Means  
Committee last afternoon at the Council  
Chamber sold \$8,500 worth of City Side-  
walk Bonds. Mr. Charles D. Pearce of the  
State National Bank was the only bidder and  
the bonds were knocked down to him at par  
and accrued interest.

**Sample Helps .  
Frail Women**

So many women are dragging out  
weary lives just because their diges-  
tive organs are weak. The result is  
poor circulation, nervousness and the  
verge of invalidism. It is often very  
unnecessary and the woman's own  
fault.

The first thing to do is to look to the  
welfare of your bowels. There the trou-  
ble usually lies. All physicians know  
that a large percentage of women are  
habitually constipated, and from this re-  
sults indigestion, piles, weariness, etc.,  
that women constantly complain of.  
But there is no use taking "female reme-  
dies" and things of that kind until you  
have started your bowels to moving.  
You will find that when the bowels move  
regularly once or twice a day all your  
petty ills will disappear. Take a good,  
mild laxative tonic like Dr. Caldwell's  
Syrup Pepsin for awhile and you will  
find yourself rapidly getting better and  
stronger, your bowels will regulate them-  
selves and work at stated times, and  
then your headaches and dizziness will  
disappear. Don't take strong cathartic  
pills or salts, but just such a mild and  
pleasant-tasting remedy as Dr. Caldwell's  
Syrup Pepsin.

You can obtain a bottle of your drug-  
gist for fifty cents or one dollar, and  
either also may be enough to perma-  
nently cure you. Thousands of women  
keep it regularly in the house and will  
no longer be without it, as it cures them  
and can be used with safety by every  
member of the family, down to the  
youngest child, but if you have never  
used it take the advice of Mrs. Earl B.  
Cox, 409 Twenty-fifth street, Moline, Ill.,  
and Mrs. Ellen Dungan, Muncie, Ind., and  
send to Dr. Caldwell for a free trial bot-  
tle, as they did, and learn for yourself  
what it will do in your own case. That  
it will cure you, as it did them, there is  
no doubt.

Dr. Caldwell personally will be pleased  
to give you any medical advice you may  
desire for yourself or family pertaining to  
the stomach, liver or bowels absolutely  
free of charge. Explain your case in a  
letter and he will reply to you in detail.  
For the free sample simply send your  
name and address on a postal card or  
otherwise. For either request the doctor's  
address is Dr. W. B. Caldwell, R. 697 Caldw-  
ell building, Monticello, Ill.  
J. JAS. WOOD & SON, Druggists, Maysville.

Yesterday William Landrigan, employed at  
the New York Store, was seriously burned  
about the lower limbs by the breaking of a  
vial of carbolic acid he was carrying in his  
pante pocket. He was taken to his home in  
East Fourth street.

**BURLEY SALES RESUMED TODAY**

The sale of tobacco in the 1909 pool will be  
resumed on the floor of the Lexington ware-  
house this afternoon at 2 o'clock. There is  
considerable speculation as to whether the  
American Tobacco Company will be a bidder.  
Up to this time they have ignored the sale,  
but, with the 1910 pool off, it is freely pre-  
dicted that they will be represented either by  
a regular buyer, or through brokers.

**A WEAK WOMAN  
AND HER STORY**

In Floral, Ark., Lives a Lady Who  
Feels That Her Strength Was  
Restored by Cardui.

Floral, Ark.—"I must speak a good  
word for Cardui," writes Mrs. Viola  
Baker, of this place.

"About a month ago I was in very bad  
health. I was so weak and nervous that  
I was not able to do my housework.  
"My husband bought me one bottle of  
Cardui, the woman's tonic. I took it ac-  
cording to directions and now I am in  
good health.

"I think Cardui is a fine tonic for weak  
women."

"And you are not the only lady who  
thinks so, Mrs. Baker.

"Thousands, like you, have written to  
tell of the wonderful benefit Cardui has  
been to them.

Cardui contains no minerals, or other  
powerful drugs. It contains no glycerin  
or other mawkish-tasting ingredients.

It is just a pure, natural extract of  
natural vegetable herbs, that have been  
found to regulate the woman's functions  
and strengthen the female system.

All druggists sell Cardui.  
See yours about it.

N. B.—Write to: Ladies' Advisory Dept., Chat-  
anooga Medicine Co., Chattanooga, Tenn., for Special  
Instructions, and 64-page book, "Home Treatment  
for Women," sent in plain wrapper, on request.

now of Versailles, was in the city last week

ers and pupils.

**The Fountain Head of Life  
Is The Stomach**

A man who has a weak and impaired stomach and who does not  
properly digest his food will find that his blood has become  
weak and impoverished, and that his whole body is improperly and  
insufficiently nourished.

**Dr. PIERCE'S GOLDEN MEDICAL DISCOVERY**  
makes the stomach strong, promotes the flow of  
digestive juices, restores the lost appetite, makes  
assimilation perfect, invigorates the liver and  
purifies and enriches the blood. It is the great blood-maker,  
 flesh-builder and restorative nerve tonic. It makes men  
strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots,  
absolutely free from alcohol and all injurious, habit-forming drugs. All its  
ingredients are printed on its wrappers. It has no relationship with secret  
medicines. Its every ingredient is endorsed by the leaders in all the schools of  
medicine. Don't accept a secret nostrum as a substitute for this time-proven  
remedy of known composition. Ask your neighbors. They must know of  
many cures made by it during past 40 years, right in your own neighborhood.

## PUBLIC LEDGER

MAYSVILLE, KY.

The wife of Dr. Faltz of Vanceburg died a few days since in a Cincinnati hospital, where she had undergone a surgical operation.

### Police Court.

The following cases were disposed of by Judge John L. Whitaker in his Court yesterday afternoon:

Albert Dixon, drunk and disorderly, \$7.50.  
George Mitchell, same offense, \$7.50.  
James Holland, drunk, \$6.50.  
G. W. Adams, same offense, \$6.50.

A remarkable feature was that all four paid their fines and were allowed to go home, with an admonition from the benign Judge to sin no more.

### A RIGHTEOUS JUDGE

Judge Rice is a mild-mannered, even-tempered gentleman, but withal hews close to the line when dealing with criminals and matters of law. Yesterday he had before him Thomas Hickman, an escaped prisoner, who lacked eight days of having served his time when he took French leave. Hickman's escapade cost him ten times the amount of time service—he will now serve eighty-eight days instead of eight. Bernard Rogers was also put back on his job to serve out his 165 days.

## COUNCIL PROCEEDINGS

The City Fathers met in adjourned session last night for the purpose of ratifying the sale of \$8,500 worth of 6% Sidewalk Improvement Bonds.

The Mayor, City Clerk and City Attorney were authorized to settle with sidewalk and brick street contractors.

The building in rear of Salt's livery stable was condemned and ordered torn down.

Mrs. Lida Rogers complained of odor from Keystone Commercial Company's Plant. Matter referred to Health Committee.

Letters were read from the Knox people, stating that the Kinney Mac was shipped and on the way to this city. On its arrival there will be a house-warming at the Fire Department Headquarters.

G. B. Anthony made a proposition to locate a pearl button factory in Maysville and wants a \$4,000 building erected, to become the Company's property after it spends \$75,000 in wages.

The matter was referred to the Ways and Means Committee to report at the next meeting of Council. The proposition will no doubt be accepted. An Advisory Board of six business men to be appointed to aid the Council in securing new factories here was ratified.

### DEATH OF MRS. JULIA WARD HOWE

MIDDLETOWN, R. I., October 17th—Julia Ward Howe, aged 91, the famous authoress and lecturer, died at her summer home here today. She had been in feeble health for several months and her death was not unexpected. Three daughters survive, Mrs. Florence Howe Hall, Mrs. Laura Richards and Mrs. John Elliott. Death was due to heart failure, resulting from advanced age, and a severe cold recently contracted.

### "PROTESTANT EPISCOPAL CHURCH"

The question of changing the name of the Protestant Church of America to the Holy Catholic Church is dead.

It was killed Saturday morning at a session of the House of Deputies in Music Hall, Cincinnati, when the motion of the minority of the special committee to substitute the original motion for the report of the majority failed to carry by just one vote in the Lay section of the house.

The vote was closer than ever before. The delegates showed a great tendency in favor of the change of the present name of the Church in the prayer book, but although there was a plurality for the substitution, there was not a majority.

The vote was as follows: Clergy—Ayes, 42, nays 15, divided 10. Laity—Ayes 21, nays 24, divided 8.

Heirs of John Hedrick of Bath county have arranged to send John Hedrick III. to Hamburg, Germany, to claim a fortune of \$16,000, 000 which is said to be awaiting them there.

## LITERARY LARCENY.

I shot a poem in the air;  
It was reprinted everywhere,  
From Bangor to the Rocky Range—  
And always credited to "Exchange."  
—New York Mail.

And long, long afterward it chanced,  
As a book of verse I gazed upon,  
I found the poem published there,  
And simply it was signed "Anon."  
—Denver Republican

But now that vagrant bit of verse  
Has gone much farther and fared worse;  
In The Podunk Times last week I read it,  
And London Tid-Bits had the credit.  
—Chicago Record-Herald.

## Today's Short Sermon

If some day the newspaper man should print the contents of his waste basket there would probably be riot, remarks an exchange. There would be trouble in many homes, arrests in some directions, shotguns in others, trouble all around. But the patron never sees the waste basket. He only glances at the beautifully printed pages, complains if one letter in fifty is upside down, grows his disappointment if one name in five hundred happened to go wrong, kicks because his communication called "Tax Payer" has been condensed into respectable English, frowns because the Editor didn't take his advice about publicly warning the neighborhood against throwing more melons in the alley, and is generally disgruntled principally at what he fails to find. He knows his share of the waste basket, but if he could have one look at the contributions made to that receptacle by his neighbors and friends he would thank God for the existence of a man with sufficient intelligence and courage not to print all he knows, and to temper even that which he does print.

The Feast of Tabernacles, the traditional Jewish harvest festival, began yesterday.

## "GET THERE!"

Do not fail to hear Dr. Blodgett at the M. E. Church, Thursday evening, at 8 o'clock. The Chautauque News says: "Dr. Blodgett is a lecturer born. He always makes a point. He hits hard blows, but punctuates the same with love coming from a warm heart."

Tickets may be had from Messrs. James Wood, Luther Reynolds, Harry Richardson, George Frank, Misses Bessie Wells and Stella Archdeacon.

## WHY I SHOULD PATRONIZE THE HIGH SCHOOL LECTURE COURSE

First: Because it is conducted in the interests of a better Maysville. It will make of me a better citizen and our city a better place for my family.

Second: Because the Course consists of eight numbers, each a high class entertainment, any four of which are well worth the price of the season ticket.

Third: Because the Course is so varied as to appeal to all tastes, Lectures, Musicals and Entertainments.

Fourth: Because it is not a money making scheme, but every cent above expenses is either placed in the Lecture Fund or spent for needed equipment of our beautiful Auditorium, Library or Building.

Lastly: Because the vast majority of the thoughtful and cultured people of Maysville are supporting it, which is strong evidence that the Course is a good one.

Therefore: I shall buy my ticket at once, since it is only \$2 for the eight numbers.

The many friends of Mrs. William Lilly of Lindsay street, who has been very ill, will be glad to learn that her condition is very much improved.

## WAS IT SUICIDE?

**The Body of Aged Thomas Holland Found This Morning in the Infirmary Pond**

Thomas Holland, aged 70, whose home is in East Front street, near the city Water-works, has been missing since Saturday night, and apprehension as to his safety and whereabouts has been manifested by his family.

From remarks dropped by the old gentleman, it was surmised that he had made away with himself, and a thorough search was instituted.

His sons found the lifeless body of their aged parent in the Infirmary pond this morning about 7 o'clock, where the old man, tired of the toils and troubles of this life, had, no doubt, walked to his suicide and death.

Later—Investigation surrounds Holland's death as a mystery, and foul play is even suggested.

The Sheriff and Coroner are making a thorough investigation.

However the Coroner's verdict rendered at 9:30 was accidental death.

## French Serge

Made of finest hand-combed Australian wool, the same kind used in weaving the best broadcloth. A favorite fabric for dresses, suits and separate skirts. Colors, rose, green, wine, navy, wistaria, black, white.

Prices 59c to \$1 Yard.

## Redfern Corsets

Whalebone is not the only point of superiority in Redfern Corsets, the designing is as distinctive as the boning. Each model is made to bring the lines of the figure into conformity with the newest modes. Unequal skill in designing and care in fitting the original patterns make Redfern the standard of corset fashion. We carry many models at

\$4, \$5, \$6.

Careful fittings given at any time. Redferns are cheaper than corsets that cost much less because the whalebone stiffening stands long and hard wear.

## Sweaters

A feature particularly appreciated in this line of Sweaters for women and children is the fact they are fashioned in the knitting—there are no bound seams anywhere, so the garments do not sag or get loose and baggy.

For women—White, black and gray, \$1.98 to \$4.  
For children—2 to 12 years, 75c to \$2.50.

## Pretty Little Coats

Here are some trim white bearskin coats you'll be proud to see on your small son or daughter. Sizes 2 to 6 years. Not many. Slightly soiled but quickly cleaned and much under price. \$1.98, \$2.98.

## Close Inspection

The readers of this paper will be pleased to learn that there is at least one remedy that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for test testimonials.

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

### Into the Courts.

Yesterday, we told you that the Trolley company refused to accept the intimated offer of the administration, which was that the company construct the concrete base for the paving and the city would supply the sand cushion and the brick. It refused for two reasons.

In the first place, the offer was not bona fide. One of the city officials stated, in a conference, that matters "might" be arranged on that basis.

In the second place, had it accepted the proposition, it would have been an admission on the part of the company that the Council had power to compel it to stand the expense of construction work in connection with paving.

Inasmuch as its contract did not require it to do such work, the company, no matter what it was willing to do voluntarily, naturally refused to put itself in such a position.

The administration ordered the Trolley company to remove its tracks.

Knowing that there was absolutely no necessity for this and that it was merely a part of the administration's plan to "get after the special interests," the Trolley company refused.

Thereupon the Council authorized the Mayor to tear up the tracks. At first the street railroad was inclined to allow the Mayor to proceed with this work, upon which the street railroad would have brought suit for damages against the Council individually.

Upon consideration, however, this plan was abandoned as working unnecessary inconvenience upon the public, and the Trolley company secured an injunction restraining the city from interfering with its tracks.

The argument in this case was carried up to the Court of Appeals and the Trolley company's injunction was sustained.

Thereupon the administration went ahead with its work of paving. And the result is an eyesore and a scandal to the city.

Owners of abutting property petitioned the Council to make a proper and creditable job of the paving, offering to bear the full cost.

But the administration said that the injunction restrained it from paving between or interfering with the tracks.

This was not so. The injunction restrained the city from tearing up the tracks because the courts held it was not necessary to do so in order to properly pave the streets.

You see, the administration had to "get after the special interests." It did a piece of spite work and attempted to lay the blame upon the street railroad.

But the public was fully alive to the situation.
